

INFORMATION FOR ADMITTED APPLICANTS

Dear applicants,
thank you for your interest in studying at our faculty.

We offer you the opportunity to enroll for studies without a physical attendance. This requires your written consent, which you have **to send to us together with other following documents by post by 31.8.2023**:

- **Statutory declaration about student's higher-education studies in the Slovak Republic** – (if you have not yet studied at STU please do not fill in the ID, as it will be generated only after the study has been established; the data on the completed bachelor's and engineering study are not to be given),
- **Consent to study enrollment without physical attendance,**
- **Enrollment sheet,**
- **A certified copy of the diploma and the transcript of courses and grades obtained during the entire previous university study (only those who have not yet submitted them in paper form)** - of course, does not apply to FEI STU graduates from 2023.

You can download and print the first three documents from our website:

www.fei.stuba.sk - Študenti – Aktuálny pre študentov – Tlačivá k zápisu – INŽINIERSKE ŠTÚDIUM.

To the e-mail entered in the e-application, you have been sent the login details to the application **Pre-enrollment confirmation for application to study at STU** enabling the selection of the card / extension, inserting a photo for the student's card, payment for the card.

If you decide to enroll in our faculty and agree to enroll without a physical presence, it is necessary to fill in a **Pre-enrollment confirmation for application to study at STU** form and at the same time send by post all the necessary documents **by 31.8.2023 to the address**:
